DR CLINTON F. GALE
SEEN IN BURLINGTON

Spent Half an Hour at a Sporting Goods Store While Waiting for the Troy Train—Said He Was Going to the Adirondacks.

Burlington, Nov. 10.—Some light was thrown today upon the mysterious disappearance of Dr. Clinton F. Gale of Wolcott, missing since three weeks ago Wednesday. B. C. Smith of Smith Bros. Sporting Goods store, after reading of the disappearance recalled the fact that Dr. Gale was in the store on the very night that he was said to have reached Burlington. Dr. Gale spent at least a half hour at the store while waiting for the train south. George Bacon, of Smith's Bros. store, rode from Essex Junction to Burlington on the same train with Dr. Gale and conversed with him some time. Dr. Gale told him he was on the way to Troy, N. Y., and expected later to go deer-hunting in the Adirondacks. Mr. Bacon did not remember where the doctor lived, asked him a question about it, and received the answer "most anywhere. Just now I am going hunting in the Adirondacks." Dr. Gale had a rifle, overcoat and suit case, when he alighted from the train. He left them in the station while he went up street. Before leaving the Smith store shortly before ten o'clock he remarked that it was getting near train time and he must be going.

There was nothing out of the ordinary in his appearance, manner or conversation, and both Mr. Smith and Mr. Bacon thought nothing of it until after reading the news of his disappearance.

THIEVES

GOT \$650,000

Another Big Haul by Russian Revolutionists

ARMED BAND DYNAMITES

Train in Poland—Soldiers Shot Down and Station Riddled—Robbers March Off in Military Order, Singing Songs.

Rogow, Russian Poland, Nov. 10.—The Cosacks have thus far been unsuccessful in their pursuit of the revolutionist train robbers, numbering 100 well armed men, who surrounded this station Thursday night, threw a bomb at the mail car of a train, derailed it, killing or wounding several soldiers of the escort, and fled with a sum of money said to amount to \$650,000.

The robbery, which was well planned, occurred at 9 p. m., while the train was changing engines. The station master declares the revolutionists hid in the neighboring forests and were excellently disciplined, their commander giving orders through bugle signals. When the robbery was completed the revolutionists transported their booty to two wagons and marched off in military order, singing Socialist songs. Rogow is now occupied by troops.

Eye witnesses confirm the statement that the revolutionists were hidden in the neighboring woods. When the train stopped men armed with rifles sprang up on all sides. Quickly executing the orders conveyed by the bugle, the revolutionists standing in front of the station were shot and killed. The revolutionists then placed sentries at all the approaches and quickly cut the telegraph wires.

While some of the bandits overpowered the trainmen, others attacked the escorts of the mail car. Three bombs, not one, it now appears, were thrown. Two of them shattered the cars, killed five soldiers and mortally wounded 11 others. The revolutionists then ran

sacked the mail car, transferred the bank notes, gold and silver to their own bags, and unfolding the red flag, formed up in military order, marched out of the station, entered the wagons which were waiting in the forest and drove off. It was not until three hours later that a detachment of Cosacks, hurriedly sent for, appeared on the scene and started in pursuit of the revolutionists.

Smith, of New York, who represents a syndicate. It will be considered by the commission when the members meet in Buffalo on Tuesday. Involved in the proposition is the deepening of Champlain Canal to a depth of twenty feet and its enlargement to a width of 180 feet.

The plan of another American, Smith Dawley, to build a dam at the Long Sault island, opposite Cornwall Canal, will be considered at the same time in connection with the establishment of a summer resort.

BOSTON ACTOR ARRESTED.

Held as Firebug in New York Tenement House.

Boston, Nov. 10.—Dispatches from New York yesterday state that Frank Morris of Boston, a vaudeville performer, has been arrested in that city on the charge of setting fire to two tenement blocks five times during the night previous, causing terror among the many families living there.

The terror did not end until yesterday when the news spread among the tenants that the police had captured a young man suspected of setting the fire.

In each of the five cases that fires were set tenants informed the police that when they rushed from their apartments, Morris was the first one they met. When arrested Morris said he lived on Harrison avenue, Boston.

In the police court, a boy named James Shields identified Morris as having remarked to him (Shields) while standing in a crowd watching the first fire:

"Don't go away, there will be some more engines coming."

Morris acknowledged having made the remark, and shrunk away from Shields, who positively identified him.

Another witness named Henry Riggs testified that Morris had remarked to him while watching the first fire:

"I have seen every one of them. Do you know how many people have died?"

The police are of the opinion that Morris is not mentally responsible.

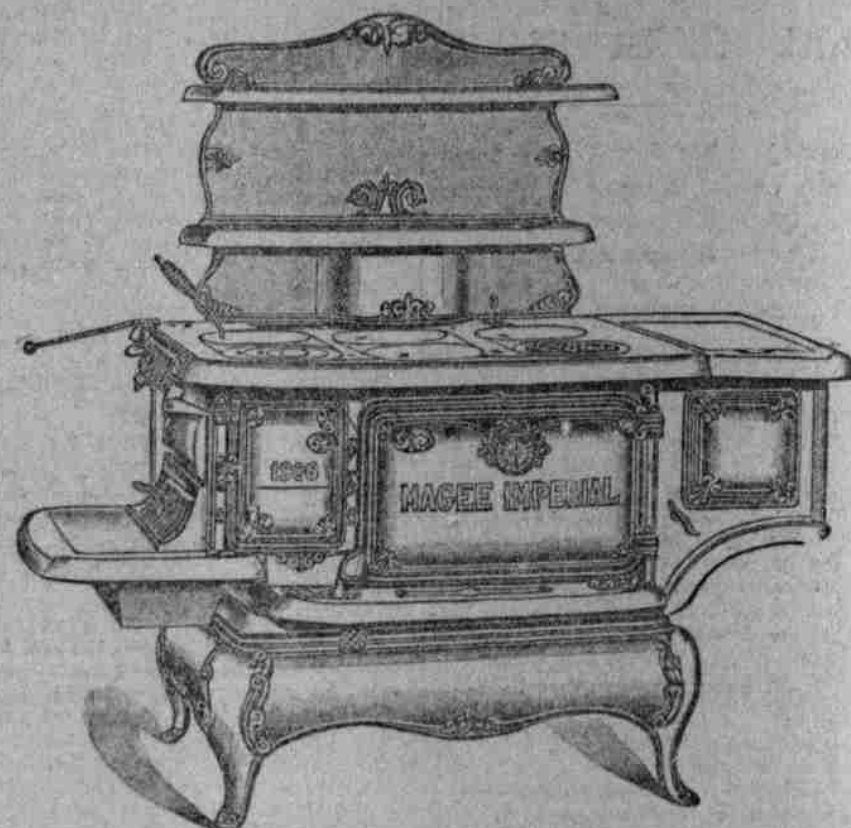

A woman in a tenement adjoining the house where the last fire was set died from heart failure, caused by fright.
